MASONIC RING SAVED HIS GEMS FROM BURGLAR

"I'm a Mason, Too," Said the Intruder, and Fled Without Loot.

The police are making every effort to capture the smooth-spoken burglar who early to-day entered the home of George E. Gale at No. 137 Bainbridge street, Brooklyn, and after a long par-Try with the family whom he awakened, departed, leaving many valuables he had packed. Mr. Gale was awakened to fice a

light from a dark lantern and a pistol. He was to keep still and to hand over his jewelry. He remurked as he took off a ring that it was a Masonic emblem and could do the thief no good. The man admitted this and added that he too was a Mason. He then, afte he too was a Mason. He then, after joxing, left the room, first making the occupants promise not to give the alarm till he had made his escape. He led the hundle of loot on the taole downstairs where he had placed it preparatory to leaving. He also left intact a sum of money and some jewelry.

Mrs. Gale is confident she would recognize him again if she ever saw him. The thief stopped long enough to exchange his coat and hat for more valuable ones that hung on the hall rack.

The President of the society is to be designated at the official upon whom the selection at the Second and third vice-presidents will devolve. The office of first vice-presidents will devolve. PURELY VEGETABLE

The fact that S. S. S. is a purely vegetable preparation, containing not the slightest trace of mineral in any form, has been one of the strongest points in its favor during its forty years of existence. It is recognized everywhere not only as the best of all blood purifiers, but the one medicine that can be taken with absolute safety by the youngest child or the oldest member of the family. Next in importance to removing the cause of any disease is the condition in which the system is left after a course of medical treatment. Medicines containing mercury, potash or other strong mineral ingredients often do permanent injury by eating out the delicate lining and tissues of the stomach, producing chronic dyspepsia, unfavorably affecting the bowels and so damaging the system that even if the original cause of the disease has been removed, it is left in such a deranged and weakened condition that the health is permanently impaired. S. S. S. enjoys the IF NOT PURELY

nently impaired. S. S. S. enjoys the IF NOT PURELY distinction of being the only blood medicine on the market that does not contain a mineral property in some form. Being made

entirely of roots, herbs and barks it is absolutely harmless to any part of the system, and while curing disease adds strength and health to every part of the body. S. S. S. removes all poisons, freshens and purifies the blood and gives better and more lasting results than any other blood medicine, S. S. S. is the very best treatment for Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison and all troubles due to an impure or poisoned blood supply. Besides being the King of blood purifiers S. S. S. is the best and most invigorating of all tonics.
